**THE MARTIN COUNTY HEALTH DEPARTMENT TO HOST SEMINAR
ON COMMUNITY SWIMMING POOLS**

The Martin County Health Department will host a program to review recent changes in Florida law related to community swimming pools. The event will also offer helpful tips to prevent water borne disease, increase pool safety and avoid common violations.

The public is invited to attend the free presentation on **Tuesday, November 17 from 1:00 pm – 4:00 pm at the Cummings Library in Palm City.**

“With more than 350 public pools and spas in Martin County” said Environmental Health Specialist, Angeline DeWald, “It’s important that residents who utilize community pools be present to learn about the changes that will potentially affect their community pool.”

For more information, please call 772 221-4090.
