**THE MARTIN COUNTY HEALTH DEPARTMENT UNVEILS
ITS NEWLY RENOVATED WEBSITE**

www.MartinCountyHealth.com

The Martin County Health Department has updated its website and is inviting the community to tour the site at www.MartinCountyHealth.com

The site outlines information about the many programs and services provided by the Martin County Health Department and as well as the locations of its clinics in Stuart and Indiantown.

Web users can also access information about various state and federal assistance programs such as the WIC (Women, Infants and Children) nutrition program.

The site also provides a link and resource information on the **H1N1/Swine Flu** virus. The link is located on the left side of the homepage. Information will be updated as new information becomes available.

The Martin County Health Department is celebrating 60 years of service to Martin County
